

TEMPLE CONCORD

TEMPLE ISRAEL

ADULT EDUCATION COMMITTEE

The Temple Israel/Temple Concord Adult Education Group presents:

Two Views of Jewish Italy

in a brunch program on

Sunday, March 10, at 10:00am, at Temple Concord

with ***Ted Major*** and ***Howard Warner*** as our speakers

This program will be unique since one member of each congregation will present approximately one-half hour each on their perspective of Italian Judaism.

Ted Major grew up in Italy, which became a member of the Axis powers during WW II. With the unification of Italy during the 1850's-70's, Jews had finally achieved a level of protection after centuries of isolation in ghettos. Ted will give his personal perspective of life in Italy until World War II destroyed this new-found citizenship for Jews.

Howard Warner traveled to Italy in 2017 with his wife Betty for ten days to visit their daughter Shelley, who was studying architecture there for a semester. With a life-long interest in history, including Jewish history, they traveled to synagogues in several cities. Howard will present his overview of the Jewish existence in Italy though two millennia. This will include the synagogues of many cities past and present.

Please call Temple Concord at (607-723-7355), or email the office at (templeconcordaa@gmail.com) to make your reservation for the brunch, which costs \$5.

We look forward to seeing you!
