

**The Temple Israel, Temple Concord Adult Education will present the next program on Sunday January 27 at 10:00 at Temple Israel.**

The program will be a screening of the documentary by Manfred Kirchheimer, "My Coffee with Jewish Friends".

The film director interviews a broad section of the Jewish community. One of the major questions raised is how does our Jewish identity impact our lives . This is a thought provoking piece of cinema.

Have bagels and coffee with Jewish friends at the Temple in January. In order to cover a partial cost of the film we will be charging \$10.00 for the usual breakfast.

Please contact Tammy at Temple Israel to make a reservation and ensure we have sufficient food, at [titammy@stny.twcbc.com](mailto:titammy@stny.twcbc.com) or call 723-7461 by January 23.
